PRIME MINISTER
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF BANGLADESH

MESSAGE

I am happy to learn that the 23rd Convocation of East West University is being held on 28 February 2024. On this happy occasion, I extend my warm congratulations to all the graduating students, their parents, faculty members, and the university authority.

The greatest Bangalee of all time, Father of the Nation Bangabandhu Sheikh Mujibur Rahman, deeply understood that the liberation of Bengal is not possible without an educated nation. He allocated 21.16 percent of the total budget to the education sector in the country's first budget after Independence, which was the highest in the country's history. Under his leadership, the National Parliament passed the University Act. Bangabandhu formed the Kudrat-e-Khuda Education Commission, the University Grants Commission, and the 'Ministry of Education and Culture'.

Following the footsteps of Bangabandhu, the Awami League Government has always worked for the development of the country's education system. In the last 16 years, we have made commendable achievements in this sector. We have formulated a modern and science-based Education Policy-2010 and enacted the 'Private University Act-2010'. We have adopted the 'Strategic Plan for Higher Education in Bangladesh: 2018-2030' to improve the quality and scope of higher education and make it internationally competitive. Our government has established 23 public and 54 private universities since 2008. These include specialized universities like Agriculture, Veterinary and Animal Science, Science and Technology, Medical, Digital, Islamic-Arabic, Textile, Maritime, Aviation and Aerospace, and Private Fashion and Technology. Opportunities have been created to set up a permanent campus of world-class private universities in Bangladesh with the enactment of the 'Cross Border Higher Education (CBHE) Act-2014'. ICT Awards, Academic Innovation Fund, Bangabandhu, and Prime Minister Fellowships have been introduced to promote higher education and research activities. We have allocated 88 thousand 182 crores taka for the education sector in the financial year 2023-2024. We are working towards creating a generation inspired by patriotism and capable of reaping the benefits of the fourth industrial revolution through the expansion of technology-based education.

As we move forward, I encourage the new graduates of East West University to continue pursuing their dreams and aspirations and to use their knowledge and skills to make a meaningful contribution to our nation. I also believe that the students of this university will play a proactive role by applying their acquired knowledge, talents and creativity to build a smart and hunger-poverty-free Golden Bangladesh by 2041 as dreamt by Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

I wish the 23rd Convocation of East West University a grand success and a bright future for all the graduates.

Joy Bangla, Joy Bangabandhu
May Bangladesh Live Forever.
