East West University Holds an Anti-militancy Human Chain

Teachers, students, and staff of East West University formed a human chain under the banner "Stand against militancy and terrorism". The program was held in front of the university campus, Aftabnagar, Dhaka. Thousands of students, teachers and staff of the university joined the human chain on Monday, 1 August 2016 from 10.45 to 12 in the afternoon. Students held different banners, festoons, and patriotic slogans.

They also paid extended condolences to the families of victims killed at Gulshan the Holey Artisan Bakery. The program was attended by Dr. Mohammed Farashuddin, Chairperson, Board of Trustees of East West University (EWU) and former Governor of Bangladesh Bank, Prof. Dr. MM Shahidul Hassan, Vice Chancellor, AZM Shafiqul Alam, Treasurer, Deans, Chairpersons of different departments, Registrar (acting), faculty members and other staff of East West University also participated in this occasion.

BoT Member's Views on EWU
- Nowshad Shamsul Arefin

What do you think about the current functioning of East West University?
"The dreamers, the visionary seers, not only see, but do and make something".

In the upcoming days, hopefully EWU will open new faculties to enlighten the society with knowledge, power and make good human beings. It will not only be the best in the country but will also be in the list of the bests of the world.
Twenty years back when I was a student of EWU, my father, Marhum S. M. Nousher Ali along with his learned fellows was venturing to establish a quality educational institution. I closely watched their sincerity, honesty and dedications which made EWU a leading educational institution in the country. Many hindrances came on the way but no compromise was made with the quality education it promises to impart.

During the founding period of EWU there was little scope for the meritorious students (who could not qualify themselves to the few public universities available). Frustration was due to scarcity of quality education. EWU and some other private universities showed the light at the end of the tunnel at the time. Besides the elite section of the society, the middle and the lower-middle section also got relief from this crunch. EWU has proven its commitment to the society by providing quality education at a reasonable rate of tuition fees.

Scarcity of the right resources may have slowed down EWU’s growth but it never digressed from its vision, mission and goals. From rented premises EWU has moved to its own premises in a prime location of the country. New departments have been introduced and disciplines such as Civil Engineering, Bio Engineering, Biotechnology, Molecular Sciences will surely continue to be added. The quest for knowledge and learning will continue.

How would you like to see the University in the next ten years?

"Sapling has become a tree and I am hopeful that in the upcoming days it will be as magnificent as the General Sherman Tree".

Students will be able to enrich themselves with the quality education and other extracurricular activities, researchers will be able to do research, eventually the nation will be benefitted from new inventions. To get this result EWU will allocate more funds to confirm the availability of the required resources. Increase of permanent faculty members and their freedom to design and decorate their own intellectual treasure will nourish new talents. The university will be the home of knowledge seekers. Globalization of technology will echo in every part of the university. Teaching and learning should not be bookish knowledge but related with practical life where students will enjoy learning and understand the essence of knowledge and value their life.

To raise students properly we have to ensure the availability of facilities (e.g. Science Club, Invention Club, Debating Club, Rover Scouting, BNCC, Language Club, Cultural Club, Entrepreneurship Development Club etc.).

Regular student counseling should be provided by dedicated psychologists.

Frequent seminar, workshops, trainings should be organized.

Reinforcement must to be on syllabus and curricula to develop our students in the following crucial areas:

Conflict Resolution Management, Project Management, Business Case Presentation, Rapport Building, Stakeholder Management, Succession Management, Goal Management, Employee Engagement, Strategic Planning. Sufficient student accommodation, playground and transportation facility etc.

Necessary steps should be taken to increase the number of foreign teachers and students so that a broad multi-cultural environment may be created.

Class duration should be a maximum of 1.5 hours.

Teachers must be more interactive and have advanced communications skills and trained in leadership skills.

How do you advise students to make use of their time?

"The greatest wealth and strength of any nation is its youth. The future of a nation lies in the hands of its youth’s posterity".

The students of EWU should prepare themselves to face all kinds of hurdles. Rather than just becoming successful they should also focus on becoming good human beings.

They must contribute to their family and society at every stage of their life. Progressive and prosperous future will be created by their friendship, sharing and caring.

To nurture themselves properly and to be success in life they must engage themselves in various extracurricular activities (e.g. engaging in creative/work, teaching street children, scouting, BNCC, support low-income-group people with their part income, entrepreneurship development activities etc.).

They must try to pay back the sacrifice of their parents, family and society by becoming good human beings. Study shows that there are many areas of inadequacy within the tertiary education system because of discrepancies in skills and competencies of students. Students and teachers must play a proactive role in making EWU the best tertiary education.

Classroom should be more discussion based, a place of more critical debates and encouraged students to speak up and challenge their teachers so that these skills can transfer to the workplace and employees can feel confident about expressing different opinions to their employers.

Instead of just focusing on getting a degree, teachers should aim for a holistic education that teaches critical thinking, problem solving and communication skills and prepare students for the next generation. Making for the leadership across multiple sectors is a big challenge for us in today’s world.
Dr. Mohammed Farashuddin, Chairperson, Board of Trustees of East West University (EWU) has formally welcomed two new members to the Board of Trustees at the EWU Board Room on 29 June 2016. The members were Mrs. Najma Ahmed and Mr. Nowshad Shamsul Arefin. Najma Ahmed is the wife of Late- Jalaluddin Ahmed, founder member of the board of trustees of EWU and Nowshad Shamsul Arefin is the son of Late- S.M. Nousher Ali, founder member of the board of trustees of EWU. Members of the board of trustees, Syed Manzur Elahi, Mr. M. A. Mumin, Mrs. Razia Samad, Mr. H. N. Ashequr Rahman, MP and Vice Chancellor Prof. M.M. Shahidul Hassan were also present on the occasion.

Editorial

Summer 2016 has been very appalling for the East West community. The horrifying terrorist attack at Holy Artisan Bakery, Gulshan left all peace loving people of the country deadened to come to terms with what had actually happened. It was terribly disturbing for our teachers and students to brush aside this shocking menace and get back to their regular academic activities. However they were able to transform this sudden blow and stand up for justice and humanity. They held a huge human chain in front of the campus against militancy with patriotic slogans in the real spirit of our liberation war, hand in hand together with the vision, mission and goal of this institution.

Apart from this the academic community also pledged for another kind of justice - violence against women, by creating a huge awareness with seminars and discussions. Significant sessions on sexual harassment were organized by the Department of Law and Social Relations faculty members and Guest Speakers. The Career Counsel Center (CCC) also organized series of interesting programs such as - orientation on a safer campus; academic and students' discussions; and documentary film shows on sexual harassment, project funded by UN Women and implemented by Bangladesh National Women Lawyer's Association (BNWLA).

On the same theme the East West University Club for Performing Arts (ECPA) staged a drama SEVEN in association with UN Woman and SIDA. The EWU Debating Club arranged an Intra Debate League on the motto “say no to sexual harassment” where students took part in essay writing, public speaking and presentation competitions. During the month of Ramadan all the departments and students' clubs organized Iftar Mehfil with faculty members, students, former students, and supporting staff. EWU Environmental & Social Club organized Iftar with the students of Portuader Ashor and other under privileged children from the Bonosri and Badda locality. The club also distributed groceries on the occasion of Ramadan and Eid clothes to children and their families. The EWU family also observed the National Mourning Day with due solemnity, early in the morning on 15 August 2016.

Finally the most prominent activity of the Summer Semester has been teachers and students workshop of Institutional Quality Assurance Cell (IQAC) jointly funded by the Higher Education Quality Enhancement Project (HEQEP) supported by University Grants Commission (UGC) and EWU. IQAC organized a number of workshops such as - SA report format, learning outcomes, and lesson plan; Inception and Workshop; Study Skills for Students; and Bloom's Taxonomy, Course Lesson Plan and Preparation of MCQ. There will be series of similar workshops, so that EWU reaches its target to become a world class university in the upcoming decades. These teaching workshops truly energized the faculty members and helped breathe fresh air back to the academia. The corridors of EWU seems to echo hopes once more by the youthful songs of students and pretty much diminished the shudder it was afflicted with.
Institutional Quality Assurance Cell (IQAC) was established at East West University (EWU) in January 2016. The project is jointly funded by World Bank through Higher Education Quality Enhancement Project (HEQEP) and EWU. The main goal of IQAC is to create the quality culture at EWU. The widely accepted teaching-learning method, interactive teaching, has brought a significant improvement in university teaching.

IQAC of EWU signed the contract with HEQEP, UGC in January, 2016. To establish the quality culture at EWU, a central Quality Assurance Committee (QAC) headed by the Vice Chancellor and Self-Assessment Committee (SAC) for all departments have been formed with local and foreign trainings.

IQAC organized a workshop on SA report format, learning outcomes, and lesson plan at East West University. Khairul Alam, Director of IQAC was the resource person. Participants were QAC members, SAC members, and all Chairpersons.

IQAC organized the "Inception Workshop" at East West University on 24 May, 2016. The resource persons were Prof. Mesbahuddin Ahmed, Prof. M. Abul Kashem, and Prof. Sanjoy K. Adhikary from Quality Assurance Unit (QAU) of University Grants Commission (UGC), Bangladesh. Prof. Dr. M M Shahidul Hassan, Vice Chancellor of EWU was the Special Guest and Dr. Mohammed Farashuddin, Chairperson, BoT was the Program Chair.

IQAC organized a workshop on "Study Skills" for students of East West University on 21 June 2016. The Resource Person was Mr. Junayed Munir, QA Specialist, Al-Yamamah University, KSA.
The primary objective of East West University Center for Research and Training (EWUCRT) is to create knowledge through academic and applied research, and to disseminate acquired knowledge through training and publication.

**Research Grants**

The center released research grants for the following research proposals:

- *In Search of a New Beginning: Analyzing the Implication of a2i in Promoting Women Empowerment* establishing in Selected Areas of Bangladesh by Ms. Ruhun Wasata, Lecturer, Department of Social Relations.
- *Acute and Chronic Health Problems of Older Adults and Their Quality of Life Measures in Rural Areas of Bangladesh: A Practical Training on Research Methodology* by Md. Mushfiqur Rahman, PhD, Associate Professor, Department of Applied Statistics.

**Research Reports**

The Endangerment and Documentation of the Pangkhua Language in Bangladesh by Zahid Akter, Department of English, East West University is going to be published by CRT in August 2016.

**Publication of Journal**

**Research Proposal**

**Call for Research Proposal-Round 9**

The East West University Center for Research and Training (EWUCRT) invited proposals for its 9th Internal Funding Round for the following 6 research proposals. The proposals are now at different stages of review by the referees and revision by the authors:

- *Assessment of Risk Factors of Gynecologic Cancers among Bangladeshi Women* by Abid Al Reza, Lecturer, Roushney Fatima Mukti, Lecturer and Dr. Mohiuddin Kabir, Assistant Professor Dept. of Genetic Engineering & Biotechnology, East West University.
- *Risk Factor Assessment of Coronary Artery Disease among Bangladeshi People* by Roushney Fatima Mukti, Lecturer and Dr. Mohiuddin Kabir, Assistant Professor and Dept. of Genetic Engineering and Biotechnology, East West University.
- *Design and Implementation of Real Time Bi-directional Traffic Management Support System with GPS and Web Socket* by Dr. Shantim Akhter, Assistant Professor, Computer Science Engineering, East West University.
- *Trial of War Rape: When Justice is an Issue* by Tureen Afroz, Professor, Department of Law, East West University.
- *Pharmacokinetic Profile Determination of Conventionally Used Medicines in Bangladesh* by Shamsun Nahar Khan, Associate Professor, Department of Pharmacy, East West University.
- *Documenting a Cinematic Legend: Nayak Raj* by Dr. Muhammed Shahriar Haque, Professor, Department of English, East West University.

**Certificate Awarding Ceremony of Trainees on Qualitative Research Training Program**

The certificate award ceremony of a training program on Qualitative Research was arranged by Center for Research and Training (CRT), East West University at the university premises on 29 May, 2016. The training program took place from 8-30 January 2016. 16 participants were awarded with certificates upon successful completion of the training program. Professor M. M. Shahidul Hassan, Vice-Chancellor, EWU graced the event as Chief Guest. Dr. Rafiqul Huda Chaudhury, Chairperson, Center for Research and Training, East West University attended the ceremony as the Program Chair. Vice-Chancellor of East West University distributed the certificates among the participants. The event was also attended, among others, by Professor Dr. Muhammed Shahriar Haque, Executive Director and Dr. Sardana Islam Khan, Deputy Executive Director of EWUCRT, faculty members and students of East West University.

**Workshop**

*Trainer conducting Qualitative Data Analysis Workshop*
East West University Center for Research and Training (CRT), in partnership with UGC/ World Bank HEQEP, organized a 3 day workshop on a qualitative data analysis and research software: Atlas.ti (Version:7) on 15-16 and 22 July, 2016 for faculty members of EWU. The workshop was conducted by Mr. Md. Ali Imam, Research Investigator and Gorkey Gourab, Senior Program Manager, icddrb. They have expertise on various types of statistical and qualitative data analysis software.

EWU VC Prof. M.M. Shahidul Hassan Awarded

Professor M. M. Shahidul Hassan, Vice Chancellor of East West University (EWU) has an outstanding record in teaching, research and consulting. He is a gold medalist of Bangladesh Academy of Sciences (BAS) and was an Associate Member of Dr. Abdus Salam International Center for Theoretical Physics at Trieste, Italy. He is currently working on outcome-based education, assessment techniques and monitoring of academic progress of students at higher learning institutions. In recognition to his contribution in higher education World Education Congress, CMO Asia with CMO Council as its Strategic Partner and Stars of the Industry Group has honored him with ASIA EDUCATION LEADERSHIP AWARD 2016.

The awards are given to individuals behind building their institutions through leadership, innovation, academic and industry interface and a supreme objective of building future leaders. The award was presented to Professor Professor M. M. Shahidul Hassan, Vice Chancellor of EWU at PAN PACIFIC in Singapore on 5 August 2016.

New Appointment and Promotion

New Posts
Dr. Jashim Uddin, Associate Professor, Department of Business Administration has been appointed the Coordinator of Graduate Studies (MBA, EMBA & MBM Programs)
Mr. Zohur Ahmed, Assistant Professor has been appointed the Chairperson of the Department of English
Farzana Sharmin Pomila Islam, Senior Lecturer, Department of English has been appointed the Assistant Proctor, East West University.

New Faculty Member
Dr. JMA Hannan, Professor, Department of Pharmacy
Dr. Anisur Rahman Khan, Assistant Professor, Department of Social Relations
Dr. Mohammad Arifuzzaman, Assistant Professor, Department of Electronics and Communications Engineering
Mr. Amit Kumar Das, Lecturer, Department of Computer Science and Engineering
Ms. Tanni Mitra, Lecturer, Department of Computer Science and Engineering
Mr. Md. Hasinul Elahi, Lecturer, Department of Information Studies and Library Management

Higher Education Quality Enhancement Project (HEQEP): Research Related Software
East West University Center for Research and Training (EWUCRT) has recently acquired Turnitin, Endnote, NVivo, STATA, Atlas.ti, STELLA and i-Think software with the funding from World Bank and UGC under the HEQEP sub-project to facilitate faculty research and data analysis.

Promotion
Dr. Gurudas Mandal has been promoted to the position of Professor, Department of Electronics and Communications Engineering, East West University

Conference

Discussion on "Challenges in Teaching Profession and Job Satisfaction of Faculty Members"

A discussion session on “Challenges in Teaching Profession and Job Satisfaction of Faculty Members” was arranged by the Human Resource Discipline of the Department of Business Administration, East West University on 12 May, 2016. The objective of the dialogue was to track the problems faculty members face and identify the recourses needed to overcome those. Dr. Mahfuzul Hoque, Advisor of the MBA Program, Dr. Anup Chowdhury, Chairperson of the Department of Business Administration and Dr. Nargis Akhter, convener of the HR discipline, were present at the program. The importance of engaging in research was also emphasized and several options for facilitating a higher level of research orientation among the faculty members were discussed. Dr. Sardana Islam Khan, Associate Professor, acted as the moderator of the program and it attracted massive participation from the faculty members of the Department of Business Administration.

Second International Conference on Business Research

The Department of Business Administration, East West University (EWU) arranged the second international conference on Business Research on 27-28 May 2016. This conference was sponsored by the World Banks Higher Education and Quality Enhancement Project (HEQEP). Dr. Mohammed Farashuddin, Chairperson, Board of Trustees, EWU and Former Governor, Bangladesh Bank was the Chief Guest of the conference. Professor Dr. MM Shahidul Hassan, Vice Chancellor of EWU, graced the conference as the Special Guest.
Dr. Anup Chowdhury, Chairperson BBA Department of EWU was the Guest of Honor, and Professor Tanbir Ahmed Chowdhury, Dean, Faculty of Business and Economics and Convenor, of the conference, chaired the program. Key Note Speaker for this conference was Professor Zahirul Hoque Head, Department of Accounting and Executive Director, Centre for Public Sector Governance, Accountability, and Performance College of Arts, Social Science, and Commerce La Trobe University, Australia. His keynote speech was on “Sustainable Business Transformation, Governance, Accountability and Performance Management: Challenges and Opportunities for Business Research”.

Training Workshop on an insider’s guide to getting published in quality international research journal

The Department of Business Administration, East West University (EWU) arranged a workshop on “An insider’s guide to getting published in quality international research journals” on 26 May at the BBA Conference Room. This was sponsored by the World Banks Higher Education and Quality Enhancement Project (HEQEP). The facilitator of the workshop was Professor Dr. Zahirul Hoque, Head, Department of Accounting, La Trobe University, Australia.

Professor Dr. Tanbir Ahmed Chowdhury, Dean, Faculty of Business and Economics and SPM of the project, Dr. Anup Chowdhury, Chairperson and all the faculty members of the Department of Business Administration participated in the session.

Seminar

The Department of EEE organized a seminar on 25 July, 2016 on "Design of Electric Motors for Electric, Hybrid, and Fuel Cell Electric Vehicles". The speaker, Dr. Khwaja M. Rahman is the Technical Fellow and the Technical Lead of the Electromagnetic Machine Design Group of General Motors (GM) Global Electrification Division, USA.
In the seminar, Dr. Khwaja talked about the different types of motors used in electric and hybrid vehicles. He discussed the specifications of motors in vehicles and how different motors are designed to meet the specifications. He also brushed on the topic of motor controllers and how higher control efficiency and microprocessor controls allow for the use of ac motors in vehicles.

**Iftar Get-together**

The Department of EEE organized an iftar get-together on 23 June 2016. About 200 students and alumni of the EEE Department and faculty members participated in the iftar.

**Professional Activities**

The Department of EEE organized the “Inception Workshop” by prof. Khairul Alam for quality assurance at East West University on 24 May, 2016. The resource persons were Prof. Mesbahuddin Ahmed, Prof. M. Abul Kashem, and Prof. Sanjoy K. Adhikary from Quality Assurance Unit (QAU) of University Grants Commission (UGC), Bangladesh.

He also organized a workshop on “Study Skills” for students on 21 June, 2016. The resource person was Mr. Junayed Munir, QA Specialist, Al-Yamamah University, KSA.

Prof. Khairul Alam also conducted a workshop on “Bloom’s Taxonomy and Constructive Alignment in Teaching-Learning” for quality assurance at East West University on 6 August 2016. The faculty members of East West University attended the workshop.

**Library Management of Dhaka University on 13 July 2016.**

**Departmental Activities**

**Training on Improving Academic Skills**

Department of Information Studies and Library Management and Career Counseling Center, East West University jointly organized half-day training on “Improving Academic Skills for Success in University and Life” on 11 April 2016 for students at EWU. Ahmed Bari, CEO, Life Skill Coaching New Zealand and Vice President & Dean, WSDA, NZ was trainer at the program. Dr. Dilara Begum, Associate Professor & Chairperson, Dept. of Information Studies and Library Management chaired the training program. The training program aimed to: understand yourself & your emotions, tools for improving focus and setting academic goals, time management skills for achieving more under pressure, designing Vision Board for success in education & life. At the end of the training, Dr. Dilara Begum delivered her concluding remark on the same topic ‘freshers’.

**Freshers’ Orientation Program**

Department of Information Studies and Library Management, East West University arranged a orientation program for the newly admitted students in Summer on 8 May, 2016. The freshers were welcomed at the program by Dr. Mohammed Farashuddin, Chairperson, Board of Trustees and Founder Vice Chancellor, East West University.

Seminars

Hamidul Huque, Statistician, Maternal and Child Health Division icddrb and PhD Candidate, School of Mathematical and Physical Sciences, University Technology Sydney (UTS) presented a paper "Spatial Regression with Covariate Measurement Error: A Semiparametric Approach" in a seminar organized by Department of Applied Statistics, East West University on 29 May 2016. Students, GTAs and faculty members of the Department of Applied Statistics were present at the seminar.

A research seminar on "Analysis of Stock Market Data of Bangladesh" was arranged on 23 June 2016 by the Department of Applied Statistics. In the seminar, Mr. F. M. Arifur Rahman, Lecturer, Department of Applied Statistics presented the progress of his ongoing research in the field. Starting off with the basics of Stock Market data, he presented some useful output interesting information about Dhaka Stock Exchange data, discussion on several issues and scope of future research in this area.

Field Trip

Department of Applied Statistics organized a field trip to Bangladesh Rice Research Institute (BRRI, Gazipur) on 21 April 2016. The students and teachers attended a seminar on research works done at BRRI. After the seminar, students and faculty members visited their lab and got a practical understanding of Completely Randomized Design (CRD) applied in one of the experiment of BRRI. They also visited to the Rice Gene Bank and Seed Laboratory to learn how the genes of all varieties of rice and seed are preserved in the bank from the respective official of BRRI on that section. Later, students and faculty members went to the field where randomized Complete Block Design (RCBD) and Split Plot Design (SPD) are employed.

Master of Science in Actuarial Science

The Department of Applied Statistics initiated the postgraduate program in Actuarial Science in 2015. The Master of Science (MS) program in Actuarial Science will from Fall 2016. The program is compatible with the programs offered by the Institute and Faculty of Actuaries, UK and the Society of Actuaries, USA.

Tabassum, M. (2016, May 27-28). The death of magic and drought (or overfeeding?) of imagination: A study of a world at its wits end and the future of literature. Paper Presented at the International Conference on Magic and Literature, School of Arts and Humanities (SAH), University of Liberal Arts Bangladesh.

Conference Presentations by GTAs and UTAs
In Summer 2016, a number of UTAs and GTAs participated in the international conferences organized by the Center for Pedagogy, Independent University, Bangladesh. International Conference on Magic and Literature, School of Arts and Humanities (SAH), University of Liberal Arts Bangladesh and a national conference arranged by Hamdard University. The UTAs who presented papers are Sumitya Jannat Farha, Aafia Mushheeda, Afsana Bintey Halal, Muntaha Nasrin, Farhana Islam, Upoma Sanyal, Sabah Tasnia Rowshon and Ahmed Jiban Manar (former UTA). The GTAs who presented papers are Tazrin Hossain, Md. Muntasir Raqib, Shuhrat Tishi, Antara Roy Chowdhury, Tairen Azad, Fahmida Ali, Naeem Hassan and Pratapsha Hayat (former GTA).

Colloquium
Mr. Mahmud Hassan, lecturer of ECE department has delivered a lecture on “Shock Wave” on 23 June 2016. All the faculty members of ECE Department were present in this colloquium.

Faculty Pursuing Higher Studies Abroad
Muhammad Manzur Alam, Assistant Professor, former Chair of the department has currently left to pursue his PhD at West Virginia University, USA. Zohur Ahmed, Assistant Prof. was assigned with the new duties of the Chair.

Ms. Saifah Haq, Lecturer, received the Hornby Scholarship to pursue her MA in Applied Linguistics from University of Warwick, UK from Fall 2016.

Seminar Series
The first presentation of the Seminar Series, Summer 2016 was successfully arranged on 13 July Wednesday by Nazia Manzoor, Lecturer, Department of English and Modern Languages, North South University, on “Foucault’s Heterotopia and the Harry Potter Fandom”.

TA Series Workshop
The TA series workshop for Summer 2016 semester was held duly, and Sarkar Hasan Al Zayed, Assistant Professor, University of Liberal Arts Bangladesh, on 11-12 June.

A workshop titled “From Chaotics to Metachaotics: Chaos Theory and Literature” was also conducted by Mashur Shahid Hossain, Associate Professor, Jahangirnagar University on 13 June for the Teaching Assistants of the department. another TA workshop was conducted by Md. Golam Rabbani, Asst. Professor JU on Advanced Theory.

Summer School
Idris N. Attended Inter-Asia Cultural Studies Society (IACSS) Summer School 2016, hosted by Kwan Fong Cultural Research & Development Promme and Department of Cultural Studies, Lingnan University, Hong Kong from 21 June-5th July on “Creativity and Social Movement”.

New Services Provided by EWU Library

Pinterest

Pinterest is newly introduced social network service of EWU Library. It is like a virtual bulletin or cork board that allows users to find and curate images and videos. Users can upload, save, sort, and manage images-known as pins and other media content (e.g. videos) through collections known as pinboards. It also acts as a personalized media platform. Users can browse the content of others in their feed. EWU Library has added Pinterest to its existing social media presence with Facebook, Google+, Twitter and YouTube [https://www.pinterest.com/ewulibrary.]

Youtube Channel

EWU Library introduced its Youtube channel for sharing video of library activities, information services, video tutorials of information literacy etc. This channel will promote library services globally.

Google Custom Search on its home page

The importance of this Google Custom Search to include a search engine on website for helping EWU Library webpage visitors find the information they are looking for. Users can get high quality as well as relevant results through this search engine.

Online MyAthens Renew

EWU Library introduced online MyAthens (Remote Access to E-Resources) renew service from Summer 2016. Now Library users may request for MyAthens renewal for one semester from EWU Library website. Library users have to renew their library membership to get this service.

EWU Library Activities

EWU Library arranged an in-house training on 26 May 2016 for skill development of library staff on acquisition of library materials, e-resources management, use of social network in library marketing etc. Senior library personnel conducted this training session.

Training Programs

Top-Up IT & ITES Foundation Skills training

East West University signed a Memorandum of Understanding (MoU) between Ernst & Young (EY), India and Bangladesh Computer Council (BCC) on May 2015. The main objective to implement the MoU was two different training programs (Top-Up IT and ITES) at EWU for the final year students. Top-up IT training for IT/Engineering students: a 300-hrs module, and ITES (Information Technology Enabled Services) for non engineering students: a 160-hrs module. The trainings had two parts one was software skill and one another was technical skills.

These programs are fully funded by the Government, supported by the World Bank and delivered at the university free of cost for students. Students will be provided with certificates along with a high employing opportunity linkage in the Bangladesh ICT industry.

Top-Up IT (1st-3rd Batches)

At present in two batches science students completed their software skill and technical skills. 50 science students are doing web development. They completed 96 hours out of 140hrs.

ITES (1st-3rd Batches)

Three batches comprising 150 students for ITES are going to complete soft skills in August and then Technical skills will start from September 2016.

ITES 4th Batch (For Augmedix)

This ITES batch has been designed for especially Augmedix, a San Francisco-based startup that uses Google Glass to
reduce the time physicians spend on documentation. This 50
students’ batch training started from February 2016 and completed
on June 2016. Augmedix promised to give job opportunities to
those who have successfully completed the training.

Nasscom Certification Exam
A Nasscom Assessment of Competence (NAC), the platform
for Indian IT industry, conducted an online test on those
who were in Top-up IT training.

New batches for Top-Up IT, ITES Foundation Skills
An online assessment test of 350 students was taken to start
new batches of Top-Up IT, ITES Foundation Skills on 3
August 2016 at the EWU lab. 152 students have qualified
and New classes of four batches will start from first week of
September 2016.
