

PROFESSOR ZILLUR RAHMAN SIDDIQUI

FORMER ADVISER, CARETAKER GOVERNMENT AND
FORMER VICE CHANCELLOR, JAHANGIRNAGAR UNIVERSITY

I am pleased to have the opportunity of congratulating the East West University authorities, and especially the graduates who are going to be conferred the degrees they have so deservedly earned after years of devoted study at this University.

East West University has already made its mark in our academic world. I am sure the young graduates will carry farther afield its reputation as a centre of excellence. My very best wishes for yet another successful convocation.
