East West University (EWU) has ranked first among all the private universities in Bangladesh by the world's important 'AD Scientific Index 2021' ranking.

In this list, Dhaka University has become the first in both public and private combined lists of the country.

According to the combined list, EWU became 4th while Bangladesh Agricultural University is the 2nd and Jahangirnagar University placed 3rd position.

Harvard University in the United States has topped the list.

Around forty faculty members of EWU have been also placed in the world scientist ranking by 'AD Scientific Index'.

Former governor of Bangladesh Bank Prof Dr Mohammed Farashuddin, also chief adviser and founder vice-chancellor of EWU, congratulated the EWU for the achievement, said a press release.
