EWU ranks first among private varsities in BD

East West University (EWU) is ranked first among the private universities of Bangladesh in the 'AD Scientific Index 2021', says a press release.

In the index, Dhaka University has become the first in both public and private combined lists of the country. According to the

combined list of universities, EWU secured 4th position while Bangladesh Agricultural University is ranked 2nd, and Jahangirnagar University is placed 3rd position respectively.

The 'AD Scientific Index' has published the ranking on its website.
