MINISTER

MINISTRY OF EDUCATION  
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF BANGLADESH

I would like to felicitate East West University on its holding of the fourth convocation.

Higher education of the right type, focus & quality has become important in an increasingly competitive global knowledge economy. EWU has been endeavouring to produce graduates with skills to meet the challenges of the new century. Its effort to support the poor & meritorious students of the university is also laudable.

I wish the Convocation a great success and the graduates a bright, successful and fulfilling future.

Allah Hafez  
Bangladesh Zindabad.
