Message

It gives me immense pleasure to know that East West University (EWU) is holding its 11th Convocation. I would like to extend my heartiest felicitations to the Vice-Chancellor, Board of Trustees, faculty and staff, graduating students and their proud parents on this auspicious occasion.

Since its inception East West University has been making a significant contribution to our higher education. I believe EWU nurtures the intellectual and personal growth of its students, preparing them to become responsible citizens as well as professionals equipped for the workplace. On this happy occasion, I hope the graduates will utilize the skills they have acquired not only to become excellent professionals but also to be committed individuals to take up the challenges facing Bangladesh. I sincerely hope that they will contribute to our national development while excelling in their chosen fields.

I wish the Convocation a success.
