Environmental and Social Club of East West University (EWU) donated some education materials to Chetana Bikash Kendra School (CBK) yesterday on the occasion of the 14th founding day of EWU, says a press release.

CBK, founded by Community Development Library (CDL), provides primary-level education from nursery to class five for slum children.

EWU Pro-Vice Chancellor Prof Muniruddin Ahmed handed over 750 education materials for CBK students to AKM Mofizur Rahman, executive director (in-charge) of CDL.

The pro-VC said, "We have to extend our hands of cooperation for the betterment of the deprived children in various ways. EWU is always committed to contributing educational materials for the slum children."

SSM Sadrul Huda, assistant professor and moderator of EWU ESC, Dilara Begum, Kamrul Hassan, Mahmud Zubayer and Oleda Sultana, programme officer of CDL, were present at the programme.
