Freshers' Reception Held at EWU

East West University, Pharmacy Department, recently organised a freshers' reception to welcome the newly admitted students of the fall semester.

The programme started with a welcome speech by Dr. Sufia Islam, chairperson of the Department of Pharmacy. She appreciated the decision of the students for choosing East West University for their M. Pharm programme on Clinical Pharmacy and Molecular Pharmacology. Professor Dr. Muniruddin Ahmed, pro-vice chancellor of East West

University spoke on career development in the field of pharmaceuticals. He urged the students to be very sincere and innovative so as not to come short of their desired goals. The Department of Pharmacy has highly-qualified faculty members and the new campus has a modern lab and library facilities. Dr. Chowdhury Faiz Hossain, dean, Faculty of Science and Engineering also

gave a short speech on how students can utilise their time better at the university. Other faculty members of the department of pharmacy were present at the reception. ■
