MESSAGE

**Founder V C & Founder President
East West University
& Former Governor of Bangladesh Bank**

I am very pleased to learn that Rotary Club of Utara is holding its 20th Installation Ceremony of the Office Bearers of the Club on 1st August, 2010. It is a praiseworthy initiative and I do congratulate the newly elected office bearers of the Club. According to the tradition of the Rotary Movement the new team will contribute positively in providing community services, in developing leadership towards promotion of International Peace, and in cultivating understanding and fellowship. I have full confidence that the team will perform in an excellent manner.

Poverty eradication is a major task ahead of the nation and it is expected that the inherently benevolent Rotarians will make their own contribution in this respect. Rotary International, since its birth, has been rendering services to the down-trodden people of the world. Rotary Club of Utara is not an exception. I hope, this club will continue its support and assistance for the wellbeing of the less privileged in the society.

Tonight's Installation Ceremony is one of rejuvenation, remembering past achievements of proud members and also to outline future plan of service to community as well as strengthening family bond of Rotarians.

I convey my best wishes to all the members of Rotary Club of Utara.

I wish the 20th Installation Ceremony a grand success.

I feel greatly privileged and humbled by the honour bestowed on me.

Dr. Mohammed Farashuddin
