## Message

I am happy to learn that East West University is going to hold its 14<sup>th</sup> Convocation on 19 March 2015. On this occasion, I congratulate all the graduating students, their guardians, faculty members and the university authority.

Our government has been striving hard to establish Bangladesh as a middle-income country by 2021, the Golden Jubilee year of our independence. However, to achieve this goal Bangladesh needs to be transformed into a knowledge-based society.

This is why our government has attached topmost priority to education. We have adopted a modern, scientific and time-befitting Education Policy and enacted Private University Act to ensure quality education. Private universities have become an integral part of government's effort to ensure higher education and build a knowledge-based society.

I hope the outgoing graduates of this university will be able to face the challenges of the 21<sup>st</sup> century and build a prosperous "Sonar Bangla" as dreamt by the greatest Bangalee of all time, the Father of the Nation Bangabandhu Sheikh Mujibur Rahman.

I wish the 14<sup>th</sup> Convocation of East West University a success.

Joi Bangla, Joi Bangabandhu  
May Bangladesh Live Forever.

**Sheikh Hasina**
