Sensitive to the needs of its students, EWU is committed to providing a responsive and invigorating atmosphere for productive learning and innovative thinking.

History

The idea of establishing a private university to provide quality education at an affordable cost in Bangladesh was first mooted by a group of prominent academics, business leaders, professionals and education enthusiasts led by Dr. Mohammed Farashuddin. With this end in view, this group formed a non-profit, nonpolitical, charitable organization called Progati Foundation for Education and Development (PFED) in June, 1996. EWU originated from an endowment of the Foundation. Members of the Foundation now serve as Trustees of the University as per Private University Act of 2010. The Board of Trustees includes: Mr. Jalaluddin Ahmed, Mr. S.M. Nousher Ali (deceased), Mr. Farooque B. Chaudhury, Dr. Rafiqul Huda Chaudhury, Syed Manzur Elahi, Dr. Mohammed Farashuddin, Mr. Mohammad Zahedul Haque, R.Ph., Dr. Saidur Rahman Lasker, Dr. Muhammad A. Mannan, Professor Dr. M. Mosleh-Uddin, Mr. Shelley A. Mubdi, Mr. M.A. Mumin, Dr. Khalilur Rahman, Mr. H.N. Ashequr Rahman, MP, Mrs. Razia Samad and the Vice Chancellor (ex-officio). After being accorded permission by the Government under the Private University Act (Act 34) of 1992, EWU was launched in 1996. Classes started in September 1996 with 6 faculty members and 20 students in a rented space at 43, Mohakhali Commercial Area, Dhaka.

a major milestone in shifting to its own campus at Aftabnagar, Dhaka on 12 May 2012. At present, there are over 359 faculty members and approximately 9,116 students enrolled through a rigorous process of selection. Its growth testifies to its steady and significant progress towards promoting quality university education.

Scholarships and Financial Aids

Since its inception, East West University has been awarding merit scholarships and need-based financial assistance to deserving students. Each year the university distributes at least 9% of its total earnings among 20% or more of its regular students. Such scholarships/financial aid including family concession and freedom fighter scholarships are not available to those students who have already spent the normal study time required for the programs for which they are enrolled (e.g. Bachelor's degree program students are not eligible for any scholarship/financial aid beyond the four years that are required to complete the course as a regular student). No student of the university is entitled to benefit from more than one scholarship/financial aid scheme at any point of time.

According to the provision of the Private University Act, 2010, private universities are required to provide scholarships to 6 (six) percent of their enrolled poor but meritorious students (of which 3 percent is reserved for the wards of freedom fighters). Since its inception, the founders of East West University have adopted a policy of not only not paying any profit or dividend to themselves but to use a good proportion of its operating surplus towards nurturing merit and providing financial support to students in need. In the last eighteen years, the scholarships and financial aid policy adopted by East West University have become sources of great encouragement to meritorious but financially constrained students. The academic world has greeted this policy pursued by East West University enthusiastically.

Benefits to students are awarded in the following ways

1. Merit Scholarships

EWU has generous merit scholarships/financial aid programs. A sum of Taka 5,12,94,837 (five crore twelve lakh ninety four thousand eight hundred and thirty seven) was awarded to 1102 students in

PROFILE

EAST WEST UNIVERSITY

2013-2014. Full-year tuition waiver merit scholarships (for a maximum of one-fourth of the total credit requirements of the program for undergraduate students) were awarded to:

- (i) Top scorers in undergraduate admission tests with a minimum score of 75% marks: five (5) from the Faculty of Business and Economics, and four (4) from the Faculty of Sciences and Engineering and one (1) from the Faculty of Liberal Arts and Social Sciences. Top scorers in graduate admission tests with a minimum score of 75% marks: one each in MBA and Telecommunication Engineering, provided that at least 20 students get admitted to the program.

The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.50 and abiding by the rules and regulations and the University's Code of Conduct for students at all time.

- (ii) Candidates securing GPA 5.00 (excluding 4th subject) in both SSC and HSC (in the most recent relevant examination year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to qualifying in the admission test and maintenance of minimum GPA 3.50 in each semester as a regular student;
- (iii) Candidates securing 7 (seven) A's in 'O' Level Examination (at one sitting) and 3 (three) A's in 'A' Level Examination (in one year) will be awarded 100% Merit Scholarship at entry level for 4 years subject to qualifying in the admission test and maintenance of minimum GPA 3.50 in each semester as a regular student;
- (iv) Divisional Quota: One poor but meritorious student from each Division securing GPA 5.00 in the most recent SSC and HSC Examination will be awarded a full-tuition free Merit Scholarship with lodging for four years of study in undergraduate programs at EWU subject to qualifying in the admission test. The continuation of this scholarship is contingent upon maintaining a minimum CGPA of 3.00 as a regular student and abiding by the rules and regulations and University's Code of Conduct for students at all time.

- (v) Candidates scoring GPA 5.00 (including 4th subject) in the immediate past SSC and HSC examinations will be awarded 50% waiver of Tuition Fee as Merit Scholarship at entry level in Undergraduate Programs for first 1 (one) year, subject to fulfillment of the following requirements:

- a. Success in the EWU Admission Test. (Such scholarship will be awarded on the basis of the performance of the Admission Test).
- b. Maintenance of minimum GPA of 3.50 in each semester as a regular student.
- c. Following East West University's Disciplinary Code for Students at all time;

- (vi) 100% free merit scholarship to the students who receive Undergraduate degree from EWU with CGPA 4.00 for a maximum of two years for studies in Graduate programs at EWU subject to maintenance of CGPA 3.50 at all time as a regular student, to continue the scholarship. EWU provides the same benefits under same terms and conditions to the students having first classes in both Honors and Masters from public Universities who get admission to Graduate programs on a case by case basis.

- (vii) A committee has been formed to assess and recommend scholarship/financial aid who are from overseas and students who come from other systems.

- (viii) Top 10% students (10% of the actual number of students of each batch of each department enrolled during the immediate past year or two semesters for one year programs, whichever is applicable) of each batch of each department of undergraduate programs who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a CGPA of 3.90 and above will get full-tuition free Merit Scholarship for equal number of credits to be adjusted in the next three consecutive semesters.

All undergraduate students must register for at least 9 credits in a semester. The requirement is 12 credits in

PROFILE

EAST WEST UNIVERSITY

a semester for the students of B.Pharm. Program. For Graduate Programs, this requirement is at least two courses with a total of not less than 04 credits.

On the basis of the above principles, students of graduate programs also get Merit Scholarship but requirements of credit for the scholarships vary depending on the total credits of the program and the length of the program.

In case of a batch where 6 or less students fulfill the scholarship requirement (i.e., completed at least one-fourth of the degree requirement with a CGPA of 3.90 or better), only the top student will be entitled to receive one scholarship. The award will go to the best performer among students securing CGPA 3.90 or better. For calculation of the number of scholarships in each batch, the number will be rounded up if the fraction is 0.5 or above.

Merit Scholarships are extendable, subject to fulfillment of requirements (viii) above. To avail Merit Scholarships undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses, for Graduate Programs, this requirement is at least two courses with a total of not less than 04 credits). The Merit Scholarship will be discontinued if any student of the undergraduate or graduate program violates 'the East West University Disciplinary Code for students' and/or if his/her CGPA falls below 3.50. To be eligible for Merit Scholarship/Financial Aid a student of Undergraduate Program must earn credits as mentioned in the table below, in the last three consecutive semesters:

BSS in Economics	30
BA in English	30

2. Trustee's Scholarship

A Trustee member may award 200% tuition fee waiver to two students (100% each) or more than two students distributing this 200% at his/her discretion in each semester or

A Trustee member may award a maximum of upto 18 credits tuition fee waiver in each semester or higher as per requirements under his/her discretionary quota. The unutilized credits of any semester can be carried forward to other semester(s) within the same academic calendar year.

3. Financial Aid

(a) General

At the beginning of each semester, the university

EAST WEST UNIVERSITY

considers applications on prescribed forms for the granting of financial aid to deserving students on a need-cum-merit basis.

Undergraduate applicants who have completed at least one-fourth of the total credit requirement of the program during the immediate past year with a minimum prescribed CGPA of 2.70 and with demonstrated financial need are offered financial assistance to cover part of the tuition fees. The actual amount depends on the number of applicants and the availability of funds. This is by far the largest component of the funding support both in terms of the amount of money as well as the number of recipients. Financial assistance is also extendable on fulfillment of the above requirements.

(b) Family Concession

When two siblings (sons and/or daughters of the same parents) and husband-wife study simultaneously at East West University, the second sibling/spouse is entitled to a half-tuition waiver. However, both must be admitted full-time into regular programs and both the sibling/husband-wife must study within the normal study time (the stipulated time for completing degree) required for the programs for which they are enrolled. The benefit commences on the date of admission of the second sibling/spouse and ceases on the discontinuation of the study of any one of them in EWU, after his/her Graduation/Dismissal/Suspension/Voluntary Withdrawal etc. or for any other reason. This benefit may extend up to the third sibling under the above-mentioned conditions.

Any one out of two siblings/spouse will be entitled to get either merit scholarship (if eligible) or half tuition fee waiver or financial aid (if eligible) whichever they prefer.

If either of the siblings/spouses maintains a minimum CGPA of 2.70, while the other maintains a minimum passing CGPA (2.00 for Undergraduate Programs, 2.50 for Graduate Programs) the sibling/spouse benefit will be awarded and continued for the one who maintains the CGPA of 2.70.

In case of the newly admitted students, if the first sibling/spouse can maintain the minimum CGPA of 2.70 the sibling/spouse benefit would be awarded to

the second sibling/spouse provided the first sibling/spouse is not currently receiving any merit scholarship/ financial aid from EWU. When both the siblings/husband-wife (both are newly admitted students) are admitted in the first semester at a time, sibling/spouse benefit will be awarded to the second sibling/spouse without applying the credit and CGPA requirement for them in the first semester. Credit and CGPA requirements will be applicable for them from the second semester. Scholarship/Financial Aid/Sibling/spouse benefit or any other financial benefits at EWU are not awarded simultaneously. However, a winner of Merit Scholarship, may enjoy the Scholarship by surrendering the sibling/spouse or other benefit. i.e. any one out of two siblings/husband-wife will be entitled to get either merit scholarship (if eligible) or half tuition fee waiver or financial aid (if eligible) whichever they prefer. The benefit will be awarded at the time of Registration of courses of both the siblings/husband-wife.

(c) Freedom Fighters' Scholarship

As a mark of respect to the valiant freedom fighters of the War of Liberation and Independence, the university reserves 3% admission quota for the wards of freedom fighters of all categories, subject to their fulfillments of the minimum admission requirements at East West University. The university also considers maximum 100% tuition waiver scholarship to the wards of wounded, deceased and financially needy freedom fighters, subject to the fulfillment of the following requirements:

The candidate must qualify in the EWU admission test; the candidate must provide proof that his/her parent was a freedom fighter. The Tuition Fee waiver as above will then be continued provided that the CGPA in each semester remains 2.70 or more.

To avail financial aid, undergraduate students must register for at least three courses (9 credits) in each semester. (For the students of B.Pharm. this requirement is at least four courses, for Graduate Programs, this requirement is at least two courses with a total of not less than 04 credits). Financial Aid is discontinued if any student of undergraduate or graduate program violates the East West University Disciplinary Code for students and/or if his/her CGPA

PROFILE

EAST WEST UNIVERSITY

falls below 2.70. This is applicable for the beneficiaries of siblings/spouse/Freedom Fighters' Scholarship.

4. Benefit for EWU Employees

If the children of the employees study at EWU, only one child of an employee will be granted 50% tuition fee waiver during the entire tenure of the employee's service at EWU subject to fulfillment of admission and all other criteria for study at EWU. Granting of this tuition fee waiver will be effective on admission of the student but its continuation will be subject to fulfillment of Financial Aid requirements.

5. The Medha Lalon Fund

In order to be able to extend further support towards nurturing merit, particularly to students from middle-class background, to female students, and to students from outside the metropolis, the Board of Directors of East West University set up in 2002 a scheme called the East West University Medha Lalon Fund with an initial endowment of Taka one and a half crore. The Board has also sanctioned an amount of Taka one crore thirty lakhs from the operating surplus of the university for the Fund. This is in addition to the disbursement each year of regular components such as the merit scholarships and financial aid. Several philanthropic persons/organizations have contributed a combined amount of Taka twenty-seven and a half lakh to the Medha Lalon Fund. This need-cum-merit based financial aid is awarded from the annual earnings of the East West University Medha Lalon Fund deposited in a lucrative five-year interest earning Scholarship Deposit Account of Mercantile Bank.

PROFILE

EAST WEST UNIVERSITY

The East West University Medha Lalon Fund is administered by the Financial Aid Committee of the university. To procure such aid, students must apply on a prescribed form. Applications are processed based on information provided by the applicants and according to the criteria set by the university and is subject to change at its discretion. Selection of scholars and financial aid beneficiaries is done through a computerized system that ensures full transparency.

The Financial Aid Committee keeps Medha Lalon Fund donors informed about the operation of the funds on a regular basis. The Committee arranges meetings with East West University Medha Lalon Fund donors to apprise them of operating procedures, scholarship awards and performance of scholarship awardees as well as to seek guidance from them.

As is evident from the table below, the university policy is rather generous in nurturing merit since an increasing percentage of tuition revenue gets ploughed back and goes to deserving students. It is worth noting that the university, as a matter of policy,

encourages enrolment of mofussil and rural students who are also, therefore, beneficiaries of the scholarship and financial aid awards. Furthermore, the university has also been consciously endeavoring to increase the proportion of female students who benefit from scholarship and financial aid programs.

The table below shows the number of recipients/beneficiaries of various scholarships, financial aid programs and amount of scholarships distributed during the last five years.

Data in table show a declining trend in terms of both the number of recipients and the amount of scholarship disbursed. This is mostly due to declining number of students meeting the criteria for such Scholarships and Financial Aid. However, these figures (i.e. number of scholarship recipients and amount of scholarship) have increased significantly from the academic year 2011-2012 with the introduction of 100% Scholarship for the wards of Freedom Fighters, relaxation of Merit Scholarship criteria and various other pro-scholarship schemes.
