## EDITORIAL

Fall 2016 had been a very eventful semester for the EWU family, proliferating with activities and achievements! East West University caters to the mid-income group of the country for recruiting students and promotes global education rooted in the cultural heritage of Bangladesh. In keeping with this primary vision of the institute, the university has provided merit scholarships to 206 students. At the prize giving ceremony, the Chief Guest Professor Dr. Dil Afroza Begum, Member of UGC, was delighted to find most of these scholarship recipients being female students and subsequently, she encouraged them to work hard to fulfill their dreams. Throughout December, the month of our Victory, EWU family showed reverence to our martyrs by hoisting the flag in the university premise, and in commemoration to liberation war, the Center for Research and Training (CRT) organized a seminar. Chairperson of the Law Department, Barrister Dr. Tureen Afroz spoke on 'Trial of War Rape: When Justice Is an Issue.'
