

# EWU arranges a multidisciplinary international conference

**Eduvista Desk**

East West University (EWU) organized a three day long multidisciplinary international conference entitled "ICSL 2020: Gender, Health, Information and Environment" on February 27-29, 2020 at EWU Campus, Aftabnagar, Dhaka.

Nearly 200 participants from 12 different countries took part in the conference. The conference provided a leading platform for the academics, researchers, and participants to present and discuss the contemporary issues, trends, challenges as well as solutions in the various fields of gender, health, information, and environment.

Zuena Aziz, Senior Secretary, Syed Manzur Elahi, Chairperson, Board of Trustees, EWU, Prof Dr MM Shahidul Hassan, Vice-Chancellor, EWU, Dr Ellen Bal, Associate Professor, VU University, Netherlands, and Dr Fakrul Alam, UGC Professor were present at the inaugural session of the conference. The keynote speakers of the inaugural session were Dr Maitrayee Chaudhuri, Professor, Jawaharlal Neheru University, India and Dr Tahmeed Ahmed, Senior Director, International Centre for Diarrhoeal Disease Research, Bangladesh. A large number of participants were present at the occasion.
