activities. Sensitive to the needs of students and staff, East West University is committed to providing a humane, responsive, and invigorating atmosphere for productive learning and innovative working.

The Chancellor of East West University, Mr. Justice Shahabuddin Ahmed, the President of the People's Republic of Bangladesh, is discussing programs of East West University with the Vice-Chancellor Dr. Mohammed Farashuddin. Also seen in the picture are Mr. Syed Manzur Elahi, Treasurer and Mr. H. N. Ashequr Rahman, M. P., Member of the Board

ACCREDITATION AND GOVERNMENT APPROVAL

East West University has been accredited by the Government of the People's Republic of Bangladesh, and its curricula as well as programs have been approved by the University Grants Commission of Bangladesh. The President of the People's Republic of Bangladesh is the Chancellor of EWU. The Vice-Chancellor, Dr. Mohammed Farashuddin, and the Treasurer of the University, Syed Manzur Elahi, are appointees of the President of the country in his capacity as the Chancellor of the University.

ACADEMIC COLLABORATION

East West University has entered into formal collaboration agreements with the following three leading universities in the USA :

Pace University in New York

Suffolk University in Boston

Southern Illinois University at Carbondale

The collaborating partners have agreed to review East West University curricula, accept students for credit transfer admission, operate faculty exchanges, undertake joint faculty research, and initiate a joint program at Master's Level. As many as 2000 books of recent vintage have already been received from the three partner universities and other well-wishers around the globe. Academic cooperation is being negotiated with a number of other well-known universities around the world including some in the USA, the UK, and Australia.

DEGREES OFFERED

Currently EWU offers the following four-year Bachelor's Honors degrees :

- * B. A. in English
- * B.Sc. in Computer Science
- * B. S. S. in Economics
- * BBA (Majors in Accounting, Marketing, Finance, Management, International Business, and MIS)

In future, four-year Bachelor's honors degrees will be offered in other areas, such as,

- * Environmental Studies
- * Management Information System (MIS)
- * Communication and Information Technology
- * Population Sciences
- * Health Management and
- * Gender Issues.

EWU also plans to start an **MBA Program** in the near future.

The medium of instruction is **English for all degree programs offered by East West University.**

ADMISSION REQUIREMENTS

The minimum qualifications for admission to undergraduate programs are:

1. Academic Qualifications:

- a) At least a high second division in the SSC and HSC examinations, or University of London GCE O-Level in five subjects and A-level in two major subjects. Applicants without A-levels are generally required to complete six extra credits of course work at EWU to compensate for each A-level. This requirement may be reduced on merit.

- Or,
 b) A US high school diploma or equivalent,
 Or,
 c) A minimum Cumulative Grade point Average (CGPA) of 2.0, or equivalent results, for those who seek transfer from other institutions.
 Each case is considered on its own merit.

2. Acceptable scores at EWU's admission test or a minimum score of 1100 in the Scholastic Aptitude Test (SAT) together with a minimum score of 550 in TOEFL (Test of English as a Foreign Language).

Pass course students or students with a two-year Bachelor's degree from recognized universities can apply for admission into a four-year undergraduate program. EWU will consider applications for credit transfer only in cases where previous academic work meets EWU degree requirements and the student has scored at least 50% marks in relevant courses.

Application forms are available on payment of Tk. 300 at EWU Office at 45, Mohakhali, Dhaka-1212. To receive application forms by mail, write to the office of the Registrar along with a bank draft or money order for Tk. 300 in favor of East West University and a self-addressed envelope.

ADMISSION TEST

There is a two-hour admission test for students seeking admission into EWU. The dates are announced in major daily newspapers. Students are tested on English Language (Structure, Vocabulary, Comprehension and Composition), Basic Mathematics and General Knowledge. Those who want to study Computer Science are required to have competence in HSC-level Mathematics, while others are required to have reasonable proficiency in SSC-level Mathematics. Those who seek admission in BA (English) are exempted from the Math Test.

Results of admission tests are announced within 3 days of the tests. Successful applicants are duly informed of the results.

REGISTRATION

Students are responsible for fulfilling all requirements of the degree program in which they are admitted. They should consult their advisors in planning their course schedule and be familiar with EWU policies and procedures related to

registration and graduation requirements for their degrees. No registration is complete until all tuition fees are paid.

A student may not register after the first week of the semester except with special permission of the Academic Dean. To avoid late fees, students must register during scheduled registration periods.

TUITION AND OTHER FEES

Fees, presented below, are lower than those of most of the major private universities of comparable quality in Bangladesh.

CURRENT FEE SCHEDULE:

1. Admission Fee (one-time)	Taka 10,000
2. Course Fee for B.Sc./BBA	Taka 2,600 per credit hour
3. Course Fee for BSS (Econ) and BA (English)	Taka 2,400 per credit hour

For non-credit courses such as ENG 099 (Remedial English) and MAT 099 (Remedial Mathematics) students do not have to pay any fee.

In a regular semester, as defined later, a typical full-time student is expected to register for four 3-unit courses. Tuition fees for such a student are shown below.

	BBA	B.Sc.	Soc. Sc. & Liberal Arts
Course Fee	31,200	31,200	28,800

Total fees for a typical student to graduate are delineated below.

	BBA	B.Sc.	Soc. Sc. & Liberal Arts
Admission Fee	10,000	10,000	10,000
Course Fee	3,12,000	3,12,000	2,88,000
Lab Fee	1,000	8,000	
Total	3,23,000	3,30,000	2,98,000

FINANCIAL AID

East West University firmly believes that nurturing talent is essential for establishing an equitable and exploitation-free civil society in Bangladesh. The

avored policy of the University is to support meritorious students who need financial assistance. Any place-holder in the HSC examinations or anyone with equivalent results is entitled to a full-tuition scholarship for a thirty-credit academic year. From year 2 onwards, at least the top ten percent of full-time students are awarded full-tuition scholarships for the next 30-credit academic year. A number of other merit scholarships are also available for needy students. A full-time student for scholarship purposes is one who completes at least 30-credit hours in three consecutive semesters.

SEMESTER STRUCTURE AND COURSE FORMAT

The academic year is divided into three semesters :

<i>Spring Semester</i>	: <i>February-May (Regular Semester)</i>
<i>Summer Semester</i>	: <i>June-August (Lean Semester)</i>
<i>Fall Semester</i>	: <i>September-December (Regular Semester)</i>

For a 3-unit course, classes will meet either three times a week for 50-minute sessions, or two times a week for 80-minute sessions. If necessary, additional sessions, help sessions, make-up sessions, and workshops may be arranged by the teacher concerned.

Most of the courses carry 3 credit hours. A typical full-time student is expected to take 12 credit hours during Spring and Fall Semesters and complete the program in 4 years. Any student who desires to complete his/her degree earlier, would enroll for more courses during these two semesters and would also enroll during the optional Summer Semester.

GRADING SYSTEM

There are five letter grades that a student may earn on the basis of his/her performance in a course. The letter A, B, C and D are considered passing grades. The grade 'F' is the failing grade. The numerical equivalent of the grades are given below :

Letter Grade	Grade Point (GP)
A	4.00
B	3.00
C	2.00
D	1.00
F	0.00

A letter grade followed by a (+) will have its GP enhanced by 0.30 while one followed by a (-) will have 0.30 deducted from it. Thus, B+ earns 3.30, while B- earns 2.70.

For incomplete course work a student may receive the Incomplete Grade (I). In case of an incomplete grade, students have to earn a passing grade in the relevant course within a year. Withdrawal from a course may be allowed with the permission of the teacher and is recorded as (W) in the transcripts. To remain in good standing a student must maintain a minimum Cumulative Grade Point Average (CGPA) of 2.00. If the CGPA of a student ranges between 1.00 and 2.00 at the end of a semester, he/she will be put on probation for three consecutive semesters. Failure by a student placed on probation to raise the CGPA to 2.00 at the end of these consecutive semesters will result in dismissal of the student from the program.

DEGREE REQUIREMENTS

To qualify for any undergraduate degree from East West University, a student is required to pass at least 40 courses of three units each, i.e. 120 credit hours. The student may also be required to complete some additional courses, depending on his/her academic background and the program he/she is pursuing.

Courses are classified into 3 broad categories, viz. General Education=(GE), Core, and Specialized. Relative weights of those 3 categories in an undergraduate program are 1 : 2 : 1. That is, General Education courses will carry 30 credit hours, Core 60 credit hours, and Specialized 30 credit hours in a total of 120 credit hours. For B. Sc. (Computer Science), however, the three categories have rather different relative weightage, as shown later. Of the 30 units in General Education 15 units (5 courses) are compulsory for all students, irrespective of their majors. The remaining 15 units (5 courses) are to be selected from a group of 12 courses on the advice of the department concerned. Titles of all of these 17 (5+12) courses are given below.

(i) General Education Courses :

A. Compulsory Courses (15 Credits) :

Course Code	Title	Credits
BUS 101	Introduction to Business	3.0
CSC 101	Introduction to Computers I	3.0
ENG 101	Basic English	3.0
ENG 102	Composition and Communication Skills	3.0
GEN 201	Bangladesh Studies	3.0
Total		15.0 Credits

B. Other GEEd Courses (5 are to be selected):

Course Code	Title	Credits
MAT 100	College Mathematics	3.0
MAT110	Mathematics for Business and Economics	3.0
STA 101	Introduction to Statistics	3.0
GEN 202	Eastern Culture and Heritage	3.0
GEN 203	Ecological Systems and Environment	3.0
GEN 204	Western Thought	3.0

Bachelor of Science in Computer Science (BSc)

Computer Science deals with information; its storage, retrieval and processing; its communication, control and manipulation; its analysis, recognition and display. The degree program in Computer Science deals with computers, theories behind them, their organization and their application.

Computer scientists need a sound knowledge of Mathematics as well as the

ability to write programs in several computer languages. They concern themselves with the analysis of algorithms, data structures, computer systems, the structure of computer languages, and applied logic.

The following are the requirements for the B.Sc. degree in Computer Science:

1. Degree Core Courses (81 credits):

Course Code	Title	Credits
MAT 101	Calculus and Analytical Geometry I	3.0
MAT 102	Calculus and Analytical Geometry II	3.0
MAT 201	Linear Algebra	3.0
PHY 101	General Physics I	3.0
PHY 102	General Physics II	3.0
CSC 105	Structural Programming	3.0
CSC 107	Programming in C & C++	3.0
CSC 205	Discrete Mathematics	3.0
CSC 207	Data Structures	3.0
CSC 201	Introduction to Computer Science	3.0

CSC 225	Numerical Methods with FORTRAN	3.0
CSC 245	Algorithms	3.0
CSC 275	Operating System	3.0
CSC 285	Principles of Assembly Lang. Programming	3.0
CSC 301	Database System	3.0
CSC 305	Software Engineering	3.0
CSC 310	Probability and Stochastic processes	3.0
CSC 315	Automata Theory & Theory of Computations	3.0
CSC 335	Digital System Design	3.0
CSC 355	Computer Information System	3.0
CSC 360	Computer Architecture	3.0
CSC 405	Computer Networks	3.0
CSC 410	Artificial Intelligence	3.0
CSC 430	Compiler Design	3.0
CSC 499	Computer Science Project	6.0

2. General Education Course (30 credits): In addition to compulsory 15.0 credits of General Education courses, students of Computer Science need to take MAT 100 and STA 101 and choose any other three courses from Part B of the General Education Courses.

3. Elective Courses (18 credits): Candidates for B.Sc. degree in Computer Science must take 9.0 credits from the area of Computer Science and 9.0 credits from the area of Social Science as their electives.

A. Computer Science Courses : (Three courses are to be selected from the courses listed below) :

Course Code	Title	Credits
CSC 410	Object Oriented Programming	3.0
CSC 420	Computer Graphics	3.0
CSC 440	Advanced Computer Architecture	3.0
CSC 442	Microprocessors and Interfacing	3.0

FACILITIES AND STUDENT SERVICES

Facilities include clean, spacious and air-conditioned classrooms, computer center equipped with sufficient number of personal computers, a well-stocked library with five thousand titles, a card phone booth, prayer room; cafeteria, games room for all students, and a games room exclusively for female students.

STUDENT ACTIVITIES

EWU encourages both co-curricular and extracurricular activities, and a number of student bodies have been formed to facilitate these activities. Students of East West University have formed the following clubs :

- * Debating Society
- * Games and Sports Club
- * Computer Club
- * Environment Club

Besides, students organize the following co-curricular activities :

- * Musical Soirees
- * Quiz Competitions
- * Field Trips
- * Seminars

NON-DISCRIMINATION

East West University is committed to the belief that with respect to the fundamental rights of a person, every type of discrimination whether social or

cultural, whether based on race, gender, color, social condition, language or religion is to be overcome and eradicated.

CURRENT EWU FACULTY

EWU's highly qualified faculty members, most of whom teach on a full-time basis, include:

Name	Position and Academic Qualifications
Dr. M. G. Mostafa	Professor and Academic Dean Ph.D., London University, UK, M.Sc. Dhaka, Kali Narayan Scholar, 1959.
Mr. Izzed Alamgir Jafar	Professor BA (ECON), Punjab, MBA (USA).
Mr. Zubair Sayeed	Associate Professor CPA (Certified Public Accountant), USA. MBA, Eastern Illinois University, USA, MBA, Institute of Business Administration, Dhaka.
