PRIME MINISTER

PRIME MINISTER

GOVERNMENT OF THE
PEOPLE'S REPUBLIC OF BANGLADESH

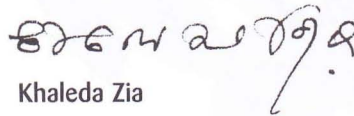

I congratulate the students, especially the graduating ones on the happy occasion of their Convocation. I also extend my felicitations to the teachers and management of the University on this occasion.

Now that a phase of their life is over and crowned with successes. I hope, they would enter into a new phase and put in all the knowledge they have gathered in the years in University for the advancement of the society.

I recall with pride the outstanding success of the Private Universities Act, 1992 which was passed by the Parliament during our previous tenure. The East West University is one of those institutions that took advantage of the opportunities that we had provided and has successfully built up its reputation as one of the front-runners in this field. I hope, the management of the University with support and cooperation of students and their guardians will do their best to make the University a centre of excellence.

I wish the Convocation all success.
