

SECRETARY

MINISTRY OF EDUCATION
GOVERNMENT OF THE PEOPLE'S REPUBLIC OF BANGLADESH

I congratulate the graduating students, their proud parents, the dedicated faculty, and the administration of East West University on the happy occasion of their fourth convocation.

A convocation is a time for celebration, a time to reflect on the accomplishments and aspirations of the students who have toiled hard to become graduates. It also inculcates a sense of fulfillment in faculty members who helped the students overcome the hurdles on their path. It is a day that materializes the dreams of the parents who await eagerly for this auspicious day to see their children receive the degrees they had been working for.

It gives me immense pleasure to see that East West University is thriving in imparting quality education and has succeeded in making a place for itself. It has dedicated itself to producing competent students upon whom depends the future of our nation and country. I believe that with the knowledge they have acquired, they will steer the country to a bright future.

I once again extend my heartfelt congratulations to the graduates. May they succeed in their future endeavors.

Allah Hafez.
