I am happy to learn that East West University is going to hold its 11th Convocation. On this auspicious occasion I extend my heartfelt congratulations to the graduating students, their proud parents, the faculty and the administration of East West University.

I wish the graduating students success and glory in their future life. I hope that whatever they do and wherever they are, the stamp of quality and character that their alma mater has imprinted on them will be reflected in their activities and dispositions.

I wish this convocation every success and further urge the graduates not to rest on the laurels already achieved but to continue to strive towards greater glory and contribute to national prosperity in the years to come.
