Orientation programme held at EWU

STAFF REPORTER

The undergraduate orientation programme for the newly admitted students of Spring Semester 2010 in the different undergraduate programmes of the East West University (EWU) was held on the university premises on Wednesday.

Dr Rafiqul Huda Chaudhury, Member, Board of Directors of the university, was present as the chief guest. He urged the students to make the best use of the unique learning opportunities available at this university.

A total of 545 students got themselves admitted in this semester in the different undergraduate programmes in Business Administration, Economics, Computer Science and Engineering, Electrical and Electronics Engineering, Electronic and Telecommunications Engineering, Pharmacy and English.

Prof Dr Mohamed Ruhul Amin, Dean of the Faculty of Science and Engineering and Prof Dr Nazrul Islam, Dean, Faculty of Business and Economics also spoke on the occasion.

Prof Dr Mohammed Sharif, Vice Chancellor of East West University, in his concluding address as the programme chair highlighted the existing infrastructure facilities, qualified faculty members in terms of their quality, knowledge and experience and availability of merit scholarship schemes of the university.

Registrar Colonel (Retd) Shah Murtoza Ali gave the welcome address. Prof Dr Muniruddin Ahmed, Pro-Vice Chancellor of the university, made the welcome speech, says a press release.
